TIGER DRAMA FAMILY SCHOLARSHIP

The Tiger Drama Family Scholarship Fund was founded through a generous donation from a Tiger Drama family in honor of Gordon Pschirrer after his passing in 2016. This scholarship highlights the family atmosphere we try to nurture through our department with the support our community and family members.

This scholarship fund will allow students to continue their studies in theatre, music, dance beyond the walls of Lewis and Clark High School. This scholarship can help fulfill our Tiger Drama vision of establishing an environment where all members challenge themselves as individuals, collaborate with others to create their best work now, and connect with other artists in and outside Lewis & Clark High School to be lifelong supporters of the arts.

HOW CAN YOU HELP?

The focus of our OF MICE AND MEN staged reading was to establish a \$10,000 endowment that can provide scholarship monies ongoing for future students in the Tiger Drama family. We are happy to report that, with the matching donation of STAGE, that event earned \$4,000 toward the \$10,000 goal. If you are interested in donating to the scholarship fund, please make a check out to STAGE or see one of the STAGE parents for more information.

RADIUM GIRLS

DIRECTOR'S NOTES

When looking at the possibilities for this year's season, we considered several factors including the necessity for strong female representation up against a male-heavy story like NEWSIES. RADIUM GIRLS is a show that's been done by theaters around the country because of its flexible casting options. I was drawn to it for that reason also but additionally for the similar themes it shares with NEWSIES – a true story based on unfortunate and criminal labor situations from our nation's history. The young women in this story complement the young men in the Newsies strike because they stood up to a system that was causing them harm and through their actions, they helped make the world a better place for those that came after.

There is a wealth of information about the Radium Girls – both in New Jersey and Illinois. We did not begin to explore all there is to know about that time in history, but we've enjoyed the time we've got to spend learning and telling their story. Thank you for supporting Tiger Drama and the dedication these students have!

Welcome to another exciting season for Tiger Drama. We are again undertaking an ambitious season including production styles not yet seen on the LC stage with our staged reading of *Of Mice and Men* and an adaptation of Shakespeare's *Hamlet*. Thank you, as always for joining us and our parent group, STAGE, in Supporting Theatre Arts Growth and Education and us! Thank you for being part of our Tiger Drama Family.
